Directions from Rochdale Salvation Army to Last Drop Village

BL7 9PZ

Turn right out of the church car park and take another right turn at the traffic lights onto the dual carriageway. Take the first left onto Spotland road and follow this until arriving at a mini roundabout. Turn right at this roundabout then left onto Edenfield Road at the next roundabout. Follow this road for 7 miles, don't get confused when you find you're in the middle of nowhere surrounded by sheep and reservoirs!

At the mini roundabout take a sharp left onto Bury Road then the second right onto Bolton Road North (this is a right fork). At the big roundabout take the second exit (straight on) and continue down Bolton Road North (The A676 for the men that like road numbers!) Follow this road for approximately 3 miles. Take a sharp right at Turton Road, then about a mile down this road turn right onto Hospital Road. The Last Drop Village is left off this road, it will be signposted.

There is plenty of parking at the Last Drop Village and we look forward to seeing you in the **Penny Farthing Suite**.
